I got the music in me

Ladies

Ain't got no trouble in my life
No foolish dreams to make me cry
I'm never frightened or worried
I know I'll always get by

All

I heat up, Cool down
When something gets in my way I go round it
Don't let life get me down
Gonna take it the way that I found it.
I got the music in me, I got the music in me
I got the music in me
I got the music in me, I got the music in me
I got the music in me
Feel funky, feel good, gonna tell you I'm in the
neighbourhood
Gonna fly like a bird on the wing
Hold on to your hat honey, sing, sing, sing
I got the music in me, I got the music in me
I got the music in me
I got the music in me, I got the music in me
I got the music in me

Do you wanna dance

Well do you wanna dance and hold my hand
Tell me baby, I'm your man
Oh baby, do you wanna dance
Do you do you do you do you wanna dance
Do you do you do you do you wanna dance
Do you do you do you do you wanna dance

She's a Lady

Men

Well she's all you ever want, she the kind I'd like to
flaunt and take to dinner

But she always knows her place, she's got style, she's
got grace, she's a winner.

She's a lady woh woh woh she's a lady

Talkin about that little lady

And the lady is mine

I only wanna be with you

Ladies

I don't know what it is that makes me love you so
I only know I never want to let you go
Cos you started something oh can't you see
That ever since we met you had a hold on me
It happens to be true. I only wanna be with you

I couldn't live without your love

Men

Oooo

Ladies

You're the only one that I rely on
A shoulder there for me to cry on
And the hours alone that I'm without you
All I ever do is think about you
No-one knows that you're so understanding
Even though my love is so demanding
Everytime you look at me
Then you know we'll both agree
That no other love could be.
I couldn't live without your love
Now I know you're really mine
Gotta have you all the time

Dancing in the sand

You had a busy day today.

You got your mother in a whirl,
She's not sure if you're a boy or a girl
Hey babe, your hair's alright
Hey babe, let's go out tonight

All

They put you down, they say I'm wrong

You tacky thing, you put them on
Rebel , rebel, put on your dress
Rebel, rebel, your face is a mess
Rebel, rebel, how could they know.
Hot tramp, I love you so.

Every little thing she does is magic

All

Though I've tried before to tell her of the feelings I have
for her in my heart
Ev'ry time that I come near her, I just lose my nerve as
I've done from the start.
Ev'ry little thing she does is magic
Everything she do just turns me on
Even though my life before was tragic
Now I know my love for her goes on.

Wake me up before you go go

Jitterbug, Jitterbug
You put the boom boom into my heart
You send my soul sky high when your loving starts
Jitterbug into my brain
It goes a bang bang bang till my feet do the same
Cos you're my lady. I'm your fool
Makes me crazy when you act so cool
Come on baby, let's not fight
We'll go dancin', ev'rything will be alright
Wake me up before you go go
Don't leave me hanging on like a yo yo
Wake me up before you go go
Take me dancing tonight.
I wanna hit that high.....

Men

You, you're such a big star to me
You're everything I wanna be
But you're stuck in a hole
And I want you to get out
I don't know what there is to see
But I know it's time for you to leave
We're all just rushing along
Trying to figure it out

Ladies

Out out out all your anticipation pulls you down
You can have it all, you can have it all
Dododo
So come on, so come on, get it on
Don't know what you're waiting for
Your time is coming don't be late hey hey
So come on see the light on your face
Let it shine just let it shine, let it shine
So come on see the light on your face

Let it shine just let it shine, let it shine

Bohemian Rhapsody

Is this the real life, is this just fantasy
Caught in a landslide, no escape from reality
Open your eyes, look up to the skies and see

We are the champions

'Cause we are the champions my friends
And we'll keep on fighting to the end
We are the champions, we are the champions
No time for losers, 'cause we are the champions

Hey Jude

Hey Jude, don't make it bad
Take a sad song and make it better
Remember to let her into your heart
Then you can start to make it better.
Hey Jude don't be afraid
You were made to go out and get her
The minute you let her under your skin
Then you begin to make it better better better better
Na na nah
Hey Jude
Na na nah
Hey Jude
