Roses of Picardy

All sing

Roses are shining in Picardy In the hush of the silver dew

Roses are flowering in Picardy But there's never a rose like you

And the roses will die with the summer time And our roads may be far apart

But there's one rose that dies not in Picardy It's the rose that I keep in my heart

White Cliffs of Dover

Solo . Carlene

I'll never forget the people I met Braving those angry skies

I remember well as the shadows fell The light of hope in their eyes

And though I'm far away I still can hear them say

Thumbs up...But when the dawn comes up

All ladies sing

There'll be bluebirds over The white cliffs of Dover

Tomorrow Just you wait and see

There'll be love and laughter And peace ever after

Tomorrow When the world is free

The shepherd will tend his sheep The valley will bloom again

And Jimmy will go to sleep In his own little room again

There'll be bluebirds over The white cliffs of Dover

Tomorrow Just you wait and see

When the lights go on again

Ladies sing

When we have our victory, and we've added to our history
It will be right there to see how sweet and simple life can be

All sing

When the lights go on again, all over the world
And the boys are home again all over the world
And rain or snow is all that may fall from the skies above
A kiss won't mean goodbye, but hello to love.

When the lights go on again all over the world
And the ships will sail again all over the world
Then we'll have time for things like wedding rings
And free hearts will sing
When the lights go on again, all over the world.

To Make You Feel My Love

When the rain is blowing in your face, and the whole world is on your case,

I could offer you a warm embrace to make you feel my love.

The storms are raging on the rolling sea and on the highway of regret.

The winds of change are blowing wild and free ,you ain't seen nothing like me yet.

I could make you happy, make your dreams come true.
Nothing that I wouldn't do.

Go to the ends of the Earth for you,to make you feel my love.

Hymn To The Fallen

All sing

Ooooooooooooo

Requiem For A Soldier

Duet Ken and Al

I wish you'd lived to see ,All you gave to me

Your shining dream of hope and love, Life and liberty

All sing

We are all one great band of brothers And one day you'll see

We shall live together when all the world is free

In fields of sacrifice Heroes paid the price

Young men who died for old mens wars Gone to paradise

We are all one great band of brothers And one day you'll see

We can live together when all the world is free, when all the world is free.

We Will Remember Them

Men Sing

We will remember them Give thanks and honour them

Won't let their memory fade, we will remember them

The day the light turned to dark,365 days apart

Ladies Sing

It broke so many mothers hearts,The day the light turned to dark

Men Sing

Can't put the faces to the names in gardens made of stone

They went away as strangers, but they never died alone

All Sing

We will remember them Give thanks and honour them

For our tomorrow gave their today

Won't let their memory fade Held on with hope and faith

Stand proud and strong and say We will remember them.

We Go On

Children onstage

With the stillness of the night, there comes a time to understand

To reach out and touch tomorrow, take the future in our hand

We can see a new horizon, built on all that we have done

And our dreams begin another thousand circles round the sun

We go on, through the joys and through the tears

We go on to discover new frontiers

Moving on with the courage of the years

We go on being strong along the way

Moving on feeling magic every day,

Ever on to the rising sun and the new day we go on

We go on

Celebrate The Future

The future is coming; we've got to catch it if we can

The magic's unfolding and you can hold it in your hand

We can touch tomorrow today

And make some memories that never fade away

All sing

Put your hands on the future

Share a dream together around the world

With a voice from every country

A face from every land
